

## VENUE PPE SAFETY POLICY

### WORKSAFE REGULATIONS

Abbotsford Centre has the following mandatory policies in conjunction with local and provincial bylaws and regulations:

1. Fall protection must be worn when a worker is at a height of 10' or greater, when there is no safety railing or barrier in place
2. While overhead work is in progress, all workers while underneath are required to wear a hard hat.
3. Steel toes and hi-visibility vests\*\* are required by all workers during load-in and load-out
4. No Smoking in the building or within 20 feet of doors or air Intakes
  - a. Smoking while loading or unloading trucks is not permitted by WorkSafeBC Regulations

**Failure to comply with any of the above policies may result in work stoppage**

### EMERGENCY EVACUATION

In case of an evacuation, we will need to have a count of all personnel in the venue. Please complete the following staff count and submit to the Event Manager prior to load in:

Designation	Number of Staff	
	Load in	Show
Promoter Staff		
Touring Personnel (ie: crew, band, artists, management)		
Local Crew (ie: runners, massage therapist, not including IATSE or Venue personnel)		
Tour Catering (if applicable)		
Other
